WHY EXHIBIT?

"I am sure everyone agrees that 2020 was a unique year. Despite holding the 2020 Convention and Trade Show virtually for the first time ever, IIAV ensured that Aspera Insurance had opportunities to get our message to independent agents and engage with our audience. We can't wait to participate in person this year!"

Steven Yavorsky

"The Trade Show is the reason our agency will be returning to the entire convention with multiple attendees. We found the networking and youthful energy very engaging last year. We made some very good connections as well as reaffirming some current relationships with carriers and agents too. In addition to all this, it was fun!"

**John W. Atkins, III, CIC,
Lewis Insurance Associates**

"The 2019 IIAV Convention was such a great experience for our agency! As a new IIAV member, we loved networking with other independent agents, meeting representatives that we have done business with over the years, and making new connections with new companies and vendors was very exciting! As a new independent agent, coming from a direct writer background, we love being a part of this professional and supportive organization who is there to support us and help us grow in every step of our new path!"

**Lynn Cary-Wheeler
Cary-Wheeler & Associates, Inc.**

"I've been attending the IIAV conventions for over 30 years. This is the event to attend for sharing new knowledge, opportunities, and strengthening business relationships! They are always fun, informative, and valued."

Ted Hoover, CIC
 Leavitt Group

"It is a great way to connect with our valued partners and meet new potential customers. We do not have many avenues to showcase something new, promote an innovation or product, or brand our value proposition with the independent agency channel. This has been a great event for our industry! We look forward to this event every year."

TUESDAY, OCTOBER 26, 2021

8:00am – 9:30am **Breakfast available**

9:30am – 10:30am **KEYNOTE: The Cyber Liability Insurance Market**

Steve Robinson, Area President, and National Cyber Practice Leader, Risk Placement Services

Mr. Robinson will provide an overview of the state of the cyber insurance market, including the impact ransomware events have had on underwriting, pricing, and capacity. He will also discuss some of the information security acronyms independent agents should understand as they help their insureds navigate this constantly changing landscape.

10:30am – 11:30am **Key Considerations of Agency Perpetuation and Acquisition**

Dave Tralka, President and Chief Executive Officer, InsurBanc, a division of Connecticut Community Bank, N.A.®

Come explore the current state of the M&A market. Agency owners and principals will learn the key components of financial planning and preparing for a perpetuation or acquisition and financing options. Agency owners will gain a better understanding of the value of their agency and the options to enhance the value of their businesses.

12:00pm – 1:30pm **The Virginia Workers' Compensation**

Commission-Who Ya Gonna Call? (1 hr. Ethics CE)

Lorraine D'Angelo, Ombudsman, Virginia Workers' Compensation Commission

Over lunch meet Lorraine (Lori) D'Angelo, the newly appointed Ombudsman at the Virginia Workers' Compensation Commission. The Ombudsman position was created by the Virginia General Assembly at their 2020 session (Delegate Kilgore, HB1558). Ms. D'Angelo will discuss the purpose of the position and how it will help the citizens of Virginia, including insurance agents, better navigate what can be a very confusing workers' compensation system. In addition to the discussion, there will be an opportunity for questions and answers.

2:00pm – 3:00pm **BREAKOUT SESSIONS** (Choose one)

A Regulator's Perspective (1 hr. Ethics CE)

Mike Beavers, Deputy Commissioner of Agency Regulation, Virginia Bureau of Insurance

Mr. Beavers will present a different view from inside the agency. The vast majority of agents work hard to serve their clients, build their business, and follow the rules. What about the "other guys?" The ones who take shortcuts, ignore the rules, cause problems not only for their customers but their companies as well? In addition, he will discuss some of the major violations the bureau sees, sprinkle in a number of case examples, and very briefly touch on some of the recent changes to licensing, cyber, and other pertinent issues.

Cyber Hygiene for Independent Insurance Agents (1 hr. OGI CE)

Ron Berg, Executive Director – Agents Council for Technology, IIABA

Mr. Berg will discuss how and why cybercriminals target businesses, including independent insurance agents, the cyber regulatory environment (including the new Virginia Cyber Security Law), and the various resources and methods independent agents can use to deal with all of the opportunities that the "cyber world" presents.

3:00pm – 6:30pm **Free-time**

6:30pm – 7:30pm **Reception**

7:30pm – 11:00pm **Awards Dinner & Entertainment**
