THE POWER OF YOU

Engage with fellow independent agents and connect directly with your legislators at the 2027 Independent Agents Day on the Hill.

Together, we can play a vital role in shaping the laws and regulations that impact independent agents, our businesses, and the consumers we serve throughout Virginia.

No prior advocacy experience is required. We'll provide all the information and guidance you need to confidently share your perspective and discuss the issues affecting our industry.

Use the power of your voice. Join us on February 4 as we protect and strengthen the independent agency system and demonstrate the value independent agents bring to your communities every day.
